EXPRESSION OF INTEREST FOR IMPLEMENTATION OF FLUE GAS DESULPHURISATION PLANT (FGD)		

1.INTRODUCTION

1.0 Introduction to Jindal India Thermal Power Plant

1.01. JITPL was incorporated in the year 2006 to establish thermal power plants across India. It has established its 1200 MW Thermal Power Plant in Village Derang, Angul District, Orrisa State, India with 2 units of 600 MW each. Both of the units are operational and JITPL intends to invite proposals from Bidders in response to EOI for Design, engineering, project management, procurement, manufacture, supply, transportation to site, handling & storage at site, construction, erection, testing & commissioning, initial operation, reliability & trial operation, performance guarantee, followed by successful acceptance & hand-over of the complete Wet Limestone Flue Gas Desulfurization and related auxiliary systems

1.02 JITPL intends to invite EOI from domestic and international parties with requisite technical and financial capability, to bid for the project as for JITPL 2X 600 MW Thermal power plant at Angul Odisha .Bidder should have adequate technical experience and financially capable to complete the project in all respect.

2.0 Intent of Expression of Interest

2.01 The purpose of the EOI is to enlist reputed parties having requisite experience and technology in Design, engineering, project management, procurement, manufacture, supply, transportation to site, handling & storage at site, construction, erection, testing & commissioning, initial operation, reliability & trial operation, performance guarantee, followed by successful acceptance & hand-over of the complete Wet Limestone Flue Gas Desulfurization and related auxiliary systems

2.02 The parties enlisted on the basis of their "Expression of Interest (EOI)" may be Considered for further steps of business partner selection

EXPRESSION OF INTEREST FOR IMPLEMENTATION OF FLUE GAS DESULPHURISATION PLANT (FGD)		

3.0 Qualification for Bidders

The party should meet the following eligibility criteria:

3.01 Technical Criteria:

3.01.1. Should have experience of Wet Flue Gas Desulphurisation System

3.01.02. Should have in-house expertise for design and Engineering, Development and Implementation of such Projects.

3.01.03 Bidders should have designed, engineered, supplied, erected/supervised erection and commissioned/ supervised commissioning of at least one (1) no. of wet limestone based Flue Gas Desulphurization System, having flue gas treatment capacity of not less than 25,00,000 Nm³/hr, with desulphurisation efficiency of at least 90%, operating in a pulverised coal fired power plant. The above wet limestone based Flue Gas Desulphurisation System should have been in successful operation for a period not less than one (1) year.

3.02. Commercial Criteria:

3.02.01 Should be a profit making company & should not have incurred losses in more than 2 years in last five financial years.

3.02.02 Should have positive net worth as on 31/03/2020

3.02.03 The average annual turnover in the preceding three financial years starting from 2017-18 should not be less than 50% of the estimated project cost.

3.02.04 Should not have been blacklisted/ debarred by any Foreign / Indian Government /Semi-Govt./ PSU Organization in India during last 03 years (submit undertaking).

Note -1 Preference will be given to the following:

1. Bidders should have installed /under execution wet FGD System for at least one (1) Thermal Power Project of capacity 500 MW
2. Bidder/subsidiary should have registered office in India (submit PAN and GST details).

EXPRESSION OF INTEREST FOR IMPLEMENTATION OF FLUE GAS DESULPHURISATION PLANT (FGD)		

Note-2

The bidder is to submit audited balance sheet for last five years ending last financial year.

2. Latest solvency certificate/ credit line (as applicable) for 40% of the estimated cost of work.

3.0 Information Required :

Interested parties are required to submit information related to Company Profile, General Details, Experience regarding FGD installation & Company's financial as per format A , B & C respectively.

4.0 Submission of Application of EOI

4.01 The interested parties shall submit documents in the format, as per Annexures, provided along with this document. The proposals along with the documentary supports shall be submitted on or before the prescribed date and time, at the address given under:

GM-Commercial
Jindal India Thermal Power Limited
Plot No 2,Pocket C ,2nd Floor
Nelson Mandela Marg ,Vasant Kunj
New Delhi-110070
Tel: 011-68136923
Mob:9810713305
Email:jitpl_commercial@jindalgroup.com
Web:www.jindalgroup.com

4.02 The application for EOI must be submitted through e-mail on or before 24:00 hrs (IST) of 10.10.2020.

4.03 Any EOI received by JITPL after the due date & time prescribed above will not be considered and returned unopened to the Bidder.

JITPL shall not be responsible for any delay/non-receipt of EOI and reserves the right to reject any or all offers without assigning any reasons thereof.
