

## JINDAL INDIA THERMAL POWER LTD

### SPECIAL INCENTIVE SCHEME FOR ENTITES COMINING UP WITH PRODUCTS WITH 75% OF FLY ASH CONTENT ON ESTABLISHED AND SUSTAINABLE APPLICATION

#### 1.0 OBJECTIVE :

To identify and agree for incentive (as per scheme mentioned in para 6 of this document) of all the entities who can come up (through R&D) with fly ash products with ash content of at least 75% and established sustainable application of those fly ash products in the industry .

#### 2.0. INTRODUCTION

Jindal India Thermal Power Ltd was incorporated in the year 2006 to establish thermal power plants across India. It has established its 1200 MW Thermal Power Plant in Village Derang, Angul District , Orrisa State, India with 2 units of 600 MW each. Both of the units are operational.

JITPL intends to invite proposals from Entities in response to this notice for lifting of fly ash from Ash Silos located inside the plant and also claim incentive as mentioned above.
